

## *Safe in His Arms Lyrics*

*(Verse 1)*

*In the stillness of the night,  
When shadows dance in soft moonlight,  
I find solace in the embrace,  
Of His love, a sacred space.*

*(Chorus)*

*Safe in His arms, I find my rest,  
Where fears dissolve and souls are blessed.  
In every storm, in every strife,  
His tender touch brings forth new life.*

*(Verse 2)*

*When the world's chaos overwhelms,  
And doubt within my heart dwells,  
I turn to Him, my guiding light,  
In His arms, all wrongs make right.*

*(Chorus)*

*Safe in His arms, I find my rest,  
Where fears dissolve and souls are blessed.  
In every storm, in every strife,  
His tender touch brings forth new life.*

*(Bridge)*

*Through valleys deep and mountains high,  
In His love, I'll never shy.  
For in His arms, I am whole,  
He's the keeper of my soul.*

*(Chorus)*

*Safe in His arms, I find my rest,  
Where fears dissolve and souls are blessed.  
In every storm, in every strife,  
His tender touch brings forth new life.*

*(Outro)*

*So let me dwell in this sweet embrace,  
Forever held in His boundless grace.  
Safe in His arms, eternally,  
In His love, I am free.*
